Letter from the Director

July is National Park & Recreation Month. Join us in celebrating the "Superhero" theme by getting out and discovering your super powers at one of our parks, recreation

centers and pools. Summer is a great time to take advantage of all that our aquatic facilities have to offer including swim lessons, recreation swim and dive, public swim and special events. Check out all the aquatic programs in our Splash Guide at www.gilbertaz.gov/aquatics. Be sure to join us for the FREE Mesquite Water Safety Day and Kiddie Carnival on May 21st 11am-2pm. Gilbert Fire will be at the pools with activities and the fire truck.

Throughout the summer we will be offering programs and events to celebrate our "Superhero" Parks and Recreation. Freestone Recreation Center is offering a Superhero themed Kidz Kamp and Superhero Zumba on July 15th. Be sure to check out the July Superhero calendar to daily activities at www.gilbertaz.gov/parks. Connect with us on Facebook and Twitter for events, fun facts and ways to enjoy Gilbert's parks and recreation amenities. Tell your friends too! Share with us how you play in Gilbert by using #GilbertSuperJuly on social media.

The Freestone Recreation Center is hosting a Health and Fitness Open House on May 7th from 10a-2pm. Mark your calendar for this free event packed with events and activities with local vendors, entertainment, kids activities, massage, membership specials, FREE group exercise classes and giveaways.

The Riparian Preserve at Water Ranch Lake is offering two NEW camps for kids; the Junior Ranger Camp and Summer Nature Camps. Junior Rangers help to preserve and protect our parks, playgrounds and trails. They learn about nature and history have fun exploring the parks with the Town of Gilbert Park Rangers. This is a one week program and participants will receive a Junior Ranger badge upon completion. Kids can spend the summer having fun and learning about nature, the outdoors and various sciences at the Riparian Preserve weekly Summer Nature Camp. Each week will have a new focus including life science, earth science and physical science.

I invite you to explore and discover all that Gilbert parks and recreation has to offer this summer!

Sincerely,

Rod Buchanan

Neighbor 2 Neighbor

Working together to help those in need.

The Town of Gilbert developed the Neighbor 2 Neighbor Program to provide an easy way for Gilbert residents to help one another. 100% of funds donated are distributed to non-profit agencies that provide assistance to Gilbert's low-income families, individuals, disabled, seniors and at-risk youth. Gilbert residents can sign up to include a donation amount from \$2.00 to \$20.00 a month included with their utility bill. One time donations can also be made.

To find out more about the Neighbor 2 Neighbor Donation Program, go to the www.gilbertaz.gov/utilities or call 480-503-6800. Sign up now to assist a Gilbert neighbor in need. By making a minimum donation, your contribution can help:

- Provide nutritious meals in food boxes.
- Transport elderly homebound residents to medical appointments.
- Provide safe shelter for a homeless individual or family.
- Provide an emergency rent payment to prevent eviction and homelessness.
- Provide after school activities for Gilbert youth while their parents are at work.

Our classes are designed to encourage participation through instructor led activities. Your child will experience skills in sharing, listening and following directions. This is a time for peer socialization, purposeful play and teamwork to improve their cognitive, emotional and physical well-being. From first time participants to ongoing participants, we want this to be a fun, exciting experience for your little one. We don't force them to interact, yet we encourage them to work at their own pace. We hope to build their communication skills that will allow them to interact with their peers and instructor. As one of the largest and most popular wildlife preserves in Gilbert, Arizona, The Riparian at Water Ranch features hiking and equestrian trails open to the community. The preserve provides a great opportunity for wildlife and bird watching considered the premier bird watching facility in the Phoenix metro region. Close to 250 species of birds have been sighted and many people come from different states and countries to see the beautiful and sometimes rare birds. The park boasts covered picnic areas, fishing,, a dinosaur dig site and campsites that can be reserved for a desert getaway.

The Riparian Preserve was also designed to promote awareness and appreciation of Arizona's ecology and natural history, particularly desert and riparian environments, through education and recreation programs for a diversity of visitors, as well as research and development of strategies to preserve and protect these unique environments.
